"Man of the Year"

As a school we would like to dedicate this yearbook to our very own Coach Martin, as a small token of our appreciation for the love and concern he has shown for us through the year.

FLASHBACKS

What's a right hand? Something hard to do without. Coach is a right hand man who carries a load to see things done effectively. Enthusiasm, industry, and concern are all adjectives for "the Coach." S.D. Wolgast

Coach is a person who I have most appreciated, a man with a lot of character. If I had one wish it would be that I could be in the H.C.S. sports program one more year without academics. Scott Freed

Coach is one of the most hard working men I have ever met. He loves H.C.S. and its students and expresses that love through an inspirational testimony, and through instilling good leadership qualities in the young people he coaches. He has also been a great blessing to me while I have been at H.C.S. Coach, we all love you! Mr. Griffin

Coach is a really nice person that I really have appreciated my two years at H.C.S. I would just like to say I love him and am going to miss him when I leave. Craig Maenle

Coach consistently practiced spiritual as well as physical discipline. He endeavored to instill this in each of his students. He was a leader we could follow out of love, not merely obligation. Joe Sorell

AVAILABILITY

Adjusting my personal responsibilities around the needs of those whom I am serving.

It has been my pleasure to play sports under coach and more importantly it has been by pleasure to have coach as a dear friend, and I will always treasure our friendship and appreciate his dedication to his family, friends, and God. Greg Norden

COMPASSION

Viewing every person as a valuable individual whom God created and loves. Phil. 2:2

I have enjoyed working with Coach these past three years. He is a very optimistic and encouraging person. His example and testimony is always consistent before the students. It is very evident to me that he is loved and appreciated by the entire student body. 1 Thess. 4:12. Miss Willis

We believe that a true winner does his best, never to the glory of self, but always to the glory of God. With the Lord's help, we will strive to be the winners today. The Winner's Creed

I have truly appreciated Coach Martin's ministry at Heritage. He has been a consistent and godly example to the young men, and his first priority has always been to glorify God, not just win games. Pastor Sam

My appreciation for Coach goes beyond his excellent ministry among the young people. He does a lot for people that goes unnoticed and doesn't seek any glory for it. Mr. Russell
When it comes to sports, Coach Martin is outstanding in his (soccer) field, is on the (basket) ball, and covers all the bases (baseball, that is)! Mrs. Wiseman

Coach taught me the value of setting a goal and working as hard as you have to to accomplish it. Mark Furiate

Dear Coach,

Words cannot duly express the gratitude we have for your tolerance, loyalty, and concern. You have always been "A Real Friend".

A friend is one who takes your hand
 And talks a speech you understand.
 He's partly kindness, partly mirth —
 And faith unfaltering in your worth.
 He's first to cheer you in success,
 And last to leave you in distress.
 A friend is constant, honest, true —
 In short, old pal, he's just like you.
 (Guest)

You are always telling us of your love towards us, in word and deed. As the student body, we would like to dedicate this yearbook in your honor. We love you!

The Student Body

Coach always made sure we had the proper balance. Winning was fun, but serving the Lord was more important. Jim Liebler

One of the biggest things Coach did for me was to teach me to go to the Lord before I did anything. For instance, each day before we had practice, Coach always insisted we have a time of prayer and devotions. Tim Furiate

SENIORS

Jenny Dean

I was saved at age five in Columbus, Ohio. My junior year was my first year at Heritage. I've grown so much closer to the Lord because of the teaching I've received. Josh. 1:8

Julia Furiate

I love H.C.S., and I praise the Lord for the opportunity to have attended and graduated from it. My desire is to serve the Lord with my whole heart, and I believe that H.C.S. has given me a strong foundation from which to do so. 1 Peter 2:21

Scott Freed

Heritage has helped me in many ways, particularly in my daily relationship to Christ. I don't know where I'd be today if I hadn't heard the Word at Heritage. 1 Cor. 10:33

Jeff Hoy

I was saved in fifth grade and began attending Heritage in sixth grade. I feel privileged to be the first graduate to have attended Heritage every year since its inception. I plan to continue working after graduation. Ecc. 9:10

The figure consists of two separate line graphs, labeled (a) and (b), each plotting 'Rate of reaction' on the y-axis against 'Temperature' on the x-axis. Graph (a) shows a curve that starts at a low rate at low temperatures and rises very steeply as temperature increases, indicating a high activation energy. Graph (b) shows a similar curve but with a much more gradual slope, indicating a lower activation energy.

SELF CONTROL

Instant obedience to the initial promptings of God's spirit.

Galatians 5:24-25

Mrs. Petersen

I was saved at the age of five when one evening my brother and me to ask if we could go to heaven. We both broke down at the sight of Jesus our sins and were both glorified within six minutes of each other. I was saved twice — spiritually and physically. I graduated from high school in Sacramento in 1971 and from Maranatha Baptist University in 1975 with a bachelor degree in music education. My husband Gary is Minister of Music at Calvary Baptist Church. Our class went to Children's Wonderland and Heritage Farm this year.

JOYFULNESS

Maintaining a spirit of cheerfulness

and a love for learning

is the goal of every teacher.

1st

The first grade students have been learning about the seasons and the changes that happen during the year. They have been studying the four seasons: spring, summer, fall, and winter. They have learned about the weather and the clothes we wear in each season. They have also learned about the plants and animals that live in each season. The students have been working hard to learn about the world around them and to become good citizens. They have been learning to read and to write, and they have been practicing their math skills. They have been having fun and learning a lot of new things. They are proud of what they have learned and they are excited to learn more.
